DuraPro Authorized Dealer Application Form

As a DuraPro Authorized Dealer, these premium products are available only to the hearth specialty retailer, through an extensive North American network of specialty hearth distributors.

The DuraPro Authorized Dealer is required to carry only DuraVent DuraPro products (bold below) in each venting-type category the dealer sells. For example, if you sell all-fuel chimney products, carry only DuraVent's DuraTech, and no other competitors all-fuel products.

Check each DuraVent category you will stock (DuraPro products are **bold**):

- DuraTech**® or **DuraPlus**® – All-fuel chimney system
- DuraPlus**® **HTC** – All-fuel chimney system for Canada
- PelletVent Pro**® – Venting system for pellet and corn stoves
- DuraLiner**® – Chimney relining system
- Ventinox**® – A continuous welded stainless steel flex relining system
- DuraFlex**® **SW, PRO, 316, 304** – Stainless steel flex relining system
- DirectVent Pro**® – Venting systems for direct vent gas stoves and fireplaces
- DuraChimney® II – Factory-built air-cooled chimney system
- DVL® – Close Clearance Connector
- DuraBlack® – Single-wall black stovepipe
- DuraFlex® AL – Aluminum flex relining system
- Type B Gas Vent/ DuraConnect® I & II – Type B gas vent and gas vent connectors
- FasNSeal® – Single- and double-wall special gas vent

The DuraPro Authorized Dealer agrees to utilize the promotional and marketing items offered to dealers (available at no charge): brochures, posters and window decals.

Other promotional benefits: Full DuraPro Dealer catalog; priority placement on DuraVent's website dealer locator; exclusive use of www.duraprodealer.com website for information, support materials, downloadable marketing tools and the on-line DuraPro Store to promote your professional business image; \$150 credit for use at the DuraPro store; receive 2% of total net purchases as a marketing allowance; priority technical assistance by phone & more.

Fax application to **707-446-4740**.
